Washtenaw Intermediate School District
1819 S. Wagner Rd., Ann Arbor, MI 48103

The Washtenaw Intermediate School District (WISD) is pursuing a Labor Day Waiver that would allow any Washtenaw County school district to begin school before Labor Day starting in 2023-23, aligning with existing education programs such as the Early College Alliance @ EMU.

Join WISD and the Michigan Department of Education for a public hearing about the discussion surrounding the application and request for a county-wide Labor Day waiver.

This meeting is open to the public.
