

**B. Travel Information**

As ISDs seek to provide leadership, programs and services to their constituents, staff seek out best practices, gain state and national educational perspectives, gather knowledge and skill levels that reflect the latest trends, innovations, and challenges. This requires more travel to conferences and trainings than you would typically experience in a K-12 school district. If any board member or administrator's travel expenses had exceeded \$3,000.00, in any of the designated areas, it would be shown below.
