

Make this your best summer ever. Invest in your future.

SummerWorks is the Washtenaw County Summer Youth Employment Program, a PAID 13 week summer employment and mentorship program that pairs young adults (16-24) living and/or attending school in Washtenaw County with local employers and mentors.

LEARN MORE & APPLY: summerworks.info/young-adults

Work. (L)earn. Thrive.

- **Gain experience.** Participants create/update a resume and prepare for interviews with employers in Washtenaw County for summer internships (~20 hours per week at \$15-17/hour).
- **Build skills.** Participants meet weekly for professional training and skill-building, career exploration, and build a professional portfolio over the summer.
- **Meet with a mentor.** In addition to internships, SummerWorks matches interested participants with mentors who have similar interests and/or identities.
- **Grow your community.** Throughout the program, participants also attend community service events and celebrations.
