ARTICLE 9

REPRIMANDS AND DISCHARGE

SECTION 1 - REPRIMANDS

- 9.1.1 Disciplinary interviews and reprimands will be considered in private. An affected employee will, however, have the right in all such instances to request the presence of a local Federation representative of his/her choice at said interview, and when such a request is made, the interview will not proceed until the representative is in attendance. The Employer shall have a similar right to include a representative of his/her choice at said meeting. The right to choose a representative shall not be used to unnecessarily delay the interview process.

SECTION 2 - DISCHARGE

- 9.2.1 An employee shall be subject to dismissal, reprimand, suspension without pay, discipline or demotion only for just cause, demonstrable incompetence, willful abuse of administrative procedures, or when his/her behavior affects his/her performance in a negative fashion.
- 9.2.2 Dismissal of an employee, who has been employed by the district for less than ninety (90) days, shall not be grievable by the employee under the provisions of the Grievance Procedure included herein, provided;
- 9.2.3 The employee is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance; and
- 9.2.4 The employee, prior to the date of discharge, receives a definite written statement containing the reasons for discharge, which reasons are based upon the prior written evaluations.

ARTICLE 10

SENIORITY

- 10.1.1 An employee's seniority shall be defined as his/her length of continuous service with the Board since his/her initial hiring date. "Initial hiring date" shall mean the date upon which the employee first reported for work as a full-time employee at the instruction of the Board.
- 10.1.2 Employees shall accumulate seniority in each regular one-hundred-eighty-five (185) day school year by the following percentage of days actually worked.
- | | |
|---------------------------------|----------------|
| 75% - 100% - one (1) year | (139-185 days) |
| 50% - 74% - one-half (1/2) year | (93-138 days) |
| 0% - 49% - zero (0) | (0-92 days) |
- 10.1.3 Absences for the following reasons shall not be deducted from days worked for seniority purposes: sick leave, personal leave, jury leave, and approved short-term leave without pay. All other absences including long-term medical, educational leave, extended child care leave, disciplinary leave, unauthorized leave without pay, and leave to serve in public office shall be deducted from seniority.
- 10.1.4 In the event an employee is transferred to a position outside the bargaining unit, he/she shall have his/her seniority frozen. Employees returning to the bargaining unit shall retain all rights provided for in this Agreement.
- 10.1.5 There shall be no seniority for probationary employees. New employees hired under this Agreement shall be considered as probationary employees for the first ninety (90) work days of their employment excluding optional summer employment. When an employee completes the probationary period, he/she shall be entered on the seniority list and shall rank for seniority from the date of original employment (first day worked). If more than one employee is hired on the same day, their seniority will be assigned by the Employer at that time.
- 10.1.6 The Employer will maintain an up to date seniority list, a copy of which shall be posted on the appropriate bulletin boards as soon as possible after September 30th of each year and changes, as they occur, will be furnished to the Federation. The Federation will provide representatives to review the list prior to posting and an electronic copy will be sent to the Federation president and vice president.
- 10.1.7 Notwithstanding the above, an employee who has been off work for a work-related disability shall continue to accrue seniority for two (2) years.
- 10.1.8 An employee shall lose his/her seniority for the following reasons:
- 1) He/she quits or retires;
 - 2) He/she is discharged, and the discharge is not reversed through the Grievance Procedure or;
 - 3) He/she fails to return to work within ten (10) calendar days after the issuance by the Board of notice of recall by registered or certified mail to the last known address of such employee as shown by the Board's records.

- 10.1.9 It is understood and agreed that in the event of a curtailment of the work force, the unit Vice President shall be required to exercise his/her actual seniority under the terms of this Agreement, until such time as actual seniority will no longer permit him/her to remain at work in the district, at which time the seniority clause provided for in this paragraph may be invoked. Notwithstanding his/her position on the seniority list, the Vice President of Unit I shall, in the event of layoff for lack of work, be continued at work so long as there is a job within the district in Unit I which he/she has the ability to perform. He/she shall be recalled to work following a layoff in the first open job for which he/she is qualified.

ARTICLE 11

LAYOFF AND RECALL

SECTION 1 - LAYOFF

- 11.1.1 Where reduction of staff is essential, as determined by the Board of Education, staff with least seniority in the program being reduced shall be severed first. Such staff shall have the right to transfer to positions within the bargaining unit for which they are qualified, provided such positions are available, or provided, the person holding such position does not possess more seniority, in which case the transfer shall be made, and the person holding the position into which the transfer is made shall be "bumped." Such staff shall have the first option to resume employment when staff expansion to former levels can resume or when positions become available, reemployment being granted to those with greatest seniority first.
- 11.1.2 The Board shall notify employees on approved leaves of impending layoff.
- 11.1.3 In the event an employee is on an approved leave and is not laid off, said employee can "bump" another employee with less seniority, upon return from leave.
- 11.1.4 In the event an employee is on an approved leave and is laid off, said employee can return according to seniority.
- 11.1.5 In the event of layoff, the unit Vice President is the last to be laid off in the unit. (See Section 10.1.9).

SECTION 2 - RECALL

- 11.2.1 Laid off employees shall have their names kept on an active recall list for a period of two (2) years unless they submit a letter of resignation. The Personnel Office shall maintain said recall list and furnish the Federation with updated lists.
- 11.2.2 Employees being recalled will be given ten (10) days from the date of receipt of a registered letter of recall to indicate their acceptance or rejection of re-employment. Failure to respond within the above named period of time shall terminate the employee's seniority rights. An employee on layoff who is sick and who notified the Board of his/her intent to return shall be deemed to be on unpaid sick leave and his/her position shall be offered on a substitute basis by seniority to employees who are on layoff. An employee filling such a position on a substitute basis shall be paid at his/her regular rate of pay.
- 11.2.3 Any laid off employee who fails to notify the Personnel Office in writing by June 30th of each year that he/she wishes to remain on the recall list shall forfeit recall rights. Also, employees shall promptly notify the Personnel Office of any change of address.
- 11.2.4 An opening that may occur due to a leave of one semester or more, which guarantees the right of return to the position left vacant, shall be filled by a permanent substitute assistant.

- 11.2.5 In the case above, if there are properly qualified laid-off employees, the most senior person shall be recalled to a one semester or more leave position prior to a permanent substitute being employed.
- 11.2.6 In the event of recall, the unit Vice President is the first to be recalled from layoff in the unit. (See Section 10.1.9)

ARTICLE 12

PERSONNEL RECORDS

- 12.1.2 No evaluations, correspondence, or other material making reference to an employee's competence, character, or manner shall be kept or placed on file without the employee's knowledge and opportunity to attach his/her own comments.
- 12.1.3 An employee's signature on a document shall only signify that the employee has received the document; signature does not represent agreement with the content. If an employee refuses to sign a document, the Employer may attempt to obtain the employee's signature in the presence of a Federation representative within ten (10) days of the refusal. If the employee refuses to sign the document in the presence of a Federation representative, the Federation representative shall sign and date the document. The Federation representative's signature shall only signify that the employee has received the material; signature does not represent agreement with the content. Any document not signed by an employee or Federation representative (as described above) shall not be permitted as evidence in a grievance or disciplinary action against said employee.
- 12.1.4 Each personnel file shall contain a log that documents the name of each individual who reviewed the file and the date of the review.

An employee may be asked to accept a special assignment due to his/her special training, skills or relationship with the student. The temporary shifting of staff from program to program or classroom to classroom to cover for absences and normal student transition visitations are not considered to be special assignments. If an employee volunteers to accept a special assignment, for up to 90 days, he/she will be paid at time and half for the duration of special assignment.

SECTION 2 - VACANCIES

- 13.2.1 A vacancy is defined as a position created by expansion, resignation, discharge or as the result of transfer during the regular school year which the Employer has determined to be filled.
- 13.2.2 All vacancies shall be filled by the most qualified applicant. For the purpose of this agreement, qualifications shall be considered to be the function of formal training and applicable (or related) work experience. Where there is reasonable doubt regarding the relative weighing of these factors with respect to the qualifications of two or more applicants, the Employer shall resolve the issue unilaterally. The Employer shall seek input on program needs from employees in the departments involved. Formal training is defined as completion of state board CEUs, college or university credit as defined in 20.2.2 or completion of agency training as part of 18.4.2.
- 13.2.3 Where the qualifications of two or more applicants for the vacancy, from within the district, are found to be substantially equal, the vacancy shall be filled by the applicant with the longest seniority in the district.
- 13.2.4 If a qualified employee is on layoff status, that employee will be recalled to fill a vacancy subject to the provisions of Article 13.3 and 13.4.
- 13.2.5 Vacancies will not be filled until ten (10) days after posting, notification, mailing or enclosure.

- 13.2.6 The hiring process will include consideration of current substitutes when filling vacancies to expedite the process. Along with examination of other qualifications, the administration shall consider input contained in substitute evaluation forms submitted by staff members as a part of the hiring process. Final decisions on filling a vacancy rest solely with the administration.
- 13.2.7 When a teacher or a teacher assistant vacancy occurs, the supervisor will make reasonable effort to consult with involved assistants regarding the needs of the classroom. If both management and the Federation agree, a representative from Unit I will sit in on the interview. Any meeting arranged by the supervisor to gather this input shall not be considered a staff meeting for the purposes of Article 18, Section 4.

SECTION 3 - NOTIFICATION

- 13.3.1 Whenever a vacancy occurs, the Employer shall give written notice to the Federation prior to postings. Vacancies will be posted internally for ten (10) days. If an internal candidate is not selected, the Employer shall then post the vacancy externally. The Employer shall be responsible to electronically communicate the vacancy notice to each member's work e-mail address
- 13.3.2 In addition to posting, notification of unit positions becoming available between June 15 and September 1 will be electronically communicated to all members of the unit. During this period, at the request of the employee, postings shall be sent by mail. It is the responsibility of the employee to notify Human Resources of this request and provide a current mailing address.
- 13.3.3 The Employer will take steps to attempt to fill vacancies within twenty (20) working days after the internal posting expires. In cases where this cannot be accomplished the Employer will notify the Federation that it cannot meet the deadline and provide a written reason.

SECTION 4 - APPLICATION

- 13.4.1 A Unit I employee applying for a vacancy shall apply in writing. At the conclusion of ten (10) day internal posting period, all internal applicants shall receive a copy of the job description and be granted an interview by the appropriate administrator or supervisor. If a unit member who applies is not selected to fill the vacancy, the member shall receive, on request, a written statement as to the reasons for selection of the successful candidate.
- 13.4.2 Employees with specific interests in possible vacancies that may occur during the summer will notify the Personnel Services office of their interest, in writing, before the last day of the school year and shall include the address where they can be contacted during the summer.
- 13.4.3 Should a summer vacancy occur, the Unit I members who have expressed interest in applying for the position shall be notified by letter.
- 13.4.4 It shall be the responsibility of the contacted employee to notify the Human Resources office, in writing, of continued interest within seven (7) calendar days after notification.
- 13.4.5 The Employer continues its support of a policy of promotions from within its own staff.

- 13.4.6 When there is a posting outside of Unit I, qualified Unit I employees shall be granted an interview. When filling the position, consideration will be giving to qualifications (including but not limited to ability, education, prior training and experience, employment record, capacity to get along with others) and length of service with the District. Qualifications required for each vacancy shall be listed in the job postings, and shall be equally applied to all applicants. When the qualifications of a Unit I employee and a non-WISD employee are found to be substantially equal by the Employer, the vacancy shall be filled by the Unit I employee. If a Unit I employee who applies is not selected to fill the vacancy, the employee shall receive, on request, a written statement as to the reasons for selection of the successful candidate

SECTION 5 - INVOLUNTARY TRANSFERS

- 13.5.1 It is recognized that some involuntary transfers may be necessary to assure an appropriate placement for qualified and experienced employees.
- 13.5.2 Consideration shall be given in the selection and transfer of assistants for teachers (and teachers for assistants) to the mutual acceptance of each for the other.

SECTION 6 - SECOND SEMESTER VACANCY

- 13.6.1 It is recognized that when a vacancy occurs as a result of a resignation, discharge or transfer during the second semester of the school year, it may be difficult to move current personnel to the vacancy from within the district without undue disruption to existing educational programs. The Superintendent or his/her designee, after consultation with the Federation, may determine to postpone the movement of current employees.

SECTION 7 - SUMMER EMPLOYMENT PRACTICES

- 13.7.1 By April 15, the employer shall survey the Unit I staff to determine which employees are interested in summer employment.
- 13.7.2 The Employer shall notify all employees no later than May 15 of each school year of the summer positions that are available, if known. If operation of summer programs cannot be determined at this date, the Employer will give the Federation a written explanation as to the reasons.
- 13.7.3 Each employee shall notify the Employer in writing no later than ten (10) work days after notification of summer positions available of his/her desire of summer employment with the agency. The Employer shall post a list of employees selected to staff summer positions no later than twenty (20) working days after employee notification of desire for summer employment.
- 13.7.4 Summer vacancies shall be filled by the most qualified applicant. For the purpose of this agreement, qualifications shall be considered to be the function of formal training and applicable (or related) work experience. Documented unsatisfactory attendance patterns may be grounds for denial of summer employment. Where there is reasonable doubt regarding the relative weighing of these factors with respect to the qualifications of two or more applicants, the Employer shall resolve the issue unilaterally. If a Federation member who applies is not

selected to fill the summer vacancy, the member shall receive, on request, a written statement as to the reasons for selection of the successful candidate.

- 13.7.5 Summer program employees shall be paid at their daily rate of pay for the school year most recently completed to a maximum of step 5 multiplied by the number of days they are required to work during the summer program.
- 13.7.6 Persons hired for the summer program who are not regular WISD employees during the school year will be paid at the administration's discretion during the summer program. Such persons are not eligible for payment of any fringe benefits.
- 13.7.7 Beginning with the 2009 summer program, Article 14, section 4 does not apply to summer employment.

SECTION 8 - POSITION SHARING

- 13.8.1 Position sharing is defined as two assistants or qualified unit members sharing in a full-time position on a half-time basis or during the mandatory summer program, dividing the summer assignment into two equal consecutive segments. Each position sharing arrangement shall be established only by mutual agreement of the two job sharers and approval of appropriate immediate supervisor(s). Each arrangement shall be for one year and not considered renewable without the agreement of the two job sharers and approval of the appropriate immediate supervisor.
- 13.8.2 The schedules of the job sharers will be developed by the job sharers and their immediate supervisor.
- 13.8.3 The Board shall not be required to provide additional desk space, post office boxes, etc. for the job sharers.
- 13.8.4 Both job sharers shall attend all required meetings or the individual may request an exemption from his/her supervisor and shall make arrangements to get the information presented at the meeting. The agreement to share a job does not preclude a unit member from employment as a substitute assistant in the District. When working as a substitute, the unit member will be paid at the regular daily rate for a substitute assistant.
- 13.8.5 Any full-time opening created by Unit I members moving to a job-sharing situation shall be considered an opening.
- 13.8.6 Full insurance coverage will be available to position sharers. The cost to the Board for both position sharers' coverage will not exceed the maximum cost of one complete family package.
- 13.8.7 Sick leave and personal days will accumulate at one-half rate.
- 13.8.8 Each job sharer shall be classified as a part-time Federation member. Seniority will accrue at one-half the regular rate.
- 13.8.9 In terms of any business between the Federation and Employer, "work days" for the job sharers will mean district work days.

- 13.8.10 In the event that one of the job sharers leaves during the school year, the resulting half-time opening shall, unless the remaining job sharer requests the resulting full-time position, not be considered an opening but shall be filled on a temporary basis until the end of the school year, at which time the situation shall be re-evaluated.

- 14.1.4 Employees with five (5) or more years of service, who have an approved leave of absence for physical or mental illness or injury covered under Section 14.11.1 will have hospitalization/surgical/major medical insurance (if they have elected such benefits) continued at Employer expense for a period of one (1) year provided the employee continues to make his/her required employee contributions. If an employee's contribution payment is more than thirty (30) days late, the Employer shall provide written notice via certified mail to the employee that the payment has not been received. Benefits will cease fifteen (15) days after the postmark date of the letter unless payment arrangements have been made by that date. Benefits will be cancelled back to the date for which full payment was received.

If any of the employee's leave is unpaid, the employee may change their healthcare benefit selection to any of the offered plans including a no employee-cost plan. If the employee opts out of health care coverage, no cash payment in lieu of health care coverage will be paid during the unpaid leave.

If the employee does not return from said leave, he/she may be required to reimburse the Employer the cost of the insurance (i.e. illustrated rates). A waiver may be requested in writing to the Human Resources Department. At the discretion of the Superintendent, reimbursement may be waived. Reasons for waiver may include the employee being unable to perform the essential functions of his/her position due to medically documented reasons or documentation that reimbursement will cause financial hardship. (Documentation may include the following: Bridge Card, Social Security Statement of Benefits, Section 8 paperwork and Department of Human Services Statement of Benefits.)

SECTION 2 - LEAVES OF ABSENCE FOR PUBLIC OFFICE

- 14.2.1 Requests for leave without pay to serve an appointive or elective federal or local office shall be granted by the Board. Such leaves shall be limited to the period of the initial appointment or election. Requests for extension may be made prior to or upon re-appointment or re-election.

SECTION 3 - EXTENDED CHILD CARE LEAVE

- 14.3.1 The Employer shall grant to an employee an extended child care leave provided that the employee applies in writing to Personnel Services at least sixty (60) calendar days prior to the date such leave is to commence and providing the beginning date for such leave is at least ten (10) months after initial employment.

- 14.3.3 The employee may go on extended child care leave without pay prior to the anticipated date of birth of the child. The staff member may continue employment as long as he/she can continue his/her regularly assigned responsibilities. The Employer may require a doctor's statement to this effect. A similar condition is effective upon return to employment.
- 14.3.4 During a child care leave, an employee's hospitalization insurance shall be continued at Employer expense for no more than four (4) months past delivery or hospital stay of mother and/or child. An employee on child care leave may elect to continue insurance benefits at group rates at her own cost for the remainder of the approved leave.
- 14.3.5 Child care leave will also be granted to employees in the event of adoption of a child. The Employer shall grant a leave for adoption provided that the employee applies in writing to the Human Resources Department at least sixty (60) calendar days prior to the date such leave is to commence. Said request for leave shall include a prospective commencement date and a desired end date; the Employer recognizes unforeseen circumstances may occur that require modification of the original notice. Leaves for this purpose shall be granted for a period of up to one year and extended upon subsequent application.
- 14.3.6 Child care leave may be granted at the Employer's discretion to new foster parents and legal guardians, depending on the circumstances of each individual case. Said request for leave shall include a prospective commencement date and a desired end date; the Employer recognizes unforeseen circumstances may occur that require modification of the original notice. Leaves for this purpose may be granted for a period of up to one year and extended upon subsequent application.
- 14.3.7 If the employee does not comply with the above conditions, the right to such a leave and/or the right to return may be denied by the Employer.

- 14.3.8 An extended child care leave which has been applied for and granted in anticipation of such need may be rescinded by the employee at any time prior to its commencement.

SECTION 4 - SICK LEAVE

- 14.4.1 Each employee shall be entitled to accumulate sick leave at the rate of 1-1/2 days per month of employment up to a maximum of 15 days per school year. This provision does not apply to summer employment practices in Article 13.7.
- 14.4.2 A terminal leave payment of all accumulated unused sick leave above 100 days will be paid upon retirement to the employee at 50% of the teaching assistant substitute rate in effect at the time of retirement. The payment will be made under the terms of the Michigan Public School Retirement Law and shall not exceed \$8,000 provided a ninety (90) day notice is given. This notice may be waived by the Superintendent.
- 14.4.3 A terminal leave payment of all accumulated unused sick leave above 120 days will be paid upon resignation to the employee at 50% of the teacher assistant substitute rate in effect at the time of resignation. The payment shall not exceed \$2,460 provided a ninety (90) day notice is given. Employees may qualify for either 14.4.2 or 14.4.3. In no case are terminal leave payments cumulative.
- 14.4.4 Sick leave shall be defined as:
- 14.4.4(1) Personal illness of the employee due to infectious disease, contagious disease, organic defects and mental disorders. Sick leave shall also include a physical disability caused as a result of accidental injury.
- 14.4.4(2) Serious illness or injury in the immediate family of fifteen (15) days in a three-year period, without the approval of the administration.
- 14.4.4(3) Up to five (5) days may be taken for bereavement in the immediate family. Up to three (3) of the five bereavement days may be taken for bereavement for persons of significance to the employee other than family as defined in 14.4.6 provided such use is pre-approved for each day used by the employee's supervisor. Bereavement days shall not count against the definition of acceptable use of sick leave for purposes of Article 20.3.1. Additional days may be approved for extenuating circumstances at the discretion of the Superintendent.
- Should a new employee experience a need for bereavement leave and the employee does not have enough sick leave to be paid for the entire bereavement leave, the employee will be allowed to request that their sick leave go into a negative status to the extent of the potentially unpaid approved bereavement leave.
- 14.4.5 For purposes of 14.4.4(1) and 14.4.4(2), immediate family shall be defined as mother, father, sister, brother, husband, wife, daughter, son, grandparents, grandchildren, mother-in-law, father-in-law, step parents, stepchildren, members of the employee's household. The employer shall have the right to request whatever documentation it feels is necessary to determine the person in question meets the above definition.

- 14.4.6 For the purposes of 14.4.4(3), immediate family shall be defined as mother, father, sister, brother, husband, wife, daughter, son, grandparents, grandchildren, mother-in-law, father-in-law, stepparents, stepchildren, stepsiblings, members of the household or members of the households parents.
- 14.4.7 Acceptable usage of sick leave will be considered five (5) days or less per year (July 1 - June 30). The lack of a pattern of regular and predictable attendance shall be justification for a conference with the supervisor. Medical documentation may be required for absences beyond seven (7) days per year or for an absence of three (3) consecutive work days. A mandatory conference with the supervisor will be held for absences after five (5) days per year. Absences beyond ten (10) days per year may be grounds for disciplinary action. A pattern of unacceptable use of sick leave may result in the use of Article 9, Section 2.
- 14.4.8 For an employee who has a four (4) year pattern of acceptable use of sick leave; the employee may request in writing that disciplinary records related to attendance problems be removed from the employee personnel file and in compliance with Bullard Plawecki.
- 14.4.9 A Unit I employee may donate up to fifteen (15) hours of his/her accumulated sick leave to another Unit I employee who has used (or shall use) all of his/her sick leave and is facing personal long-term illness or death of a family member (as defined in Article 14 of the contract). A transfer of sick leave is only allowed if the donating employee's wage is greater than or equal to the recipient's wage. A Unit I employee may not receive more than a total of seventy-five (75) donated hours during the period of a school year. An employee shall not receive more than two hundred and twenty-five (225) hours during the employee's duration of employment at the WISD.
- An employee's participation is strictly voluntary. An employee who wants to transfer earned sick leave to a Unit I employee of their choice may apply to do so by completing the Transfer of Sick Leave form and submitting it to the Human Resources Department. Any employee that wants to utilize sick leave (donated or otherwise) must complete the standard leave of absence request form furnished by Management and follow the procedure set forth in the Unit I contract. The Sick Day donation provision will sunset at the end of this contract term unless renewed by the parties.
- 14.4.10 An employee who has successfully achieved the practitioner level shall have his/her sick days credited, effective the first day of each school year. An employee leaving the system who has used more than his/her accumulated sick leave, as defined in 14.4.1, shall be docked in pay the difference between used sick leave and properly earned accumulation. If the employee owes more than the Employer can deduct from pay, the employee agrees to reimburse the Employer all overpaid funds.
- 14.4.11 The current record of accumulated sick leave days will be available in an electronic format to the vice president for inspection on a monthly basis.
- 14.4.12 No more than two (2) days of accumulated sick leave may be used for the purpose of observing recognized religious holidays of the staff member's personal faith. If the staff member has no leave time beyond that allowed by this section to use for this purpose, then he/she will be asked to take a day without pay. When sick time is used for this purpose, staff will provide notification during the first two (2) weeks of the school year to their immediate supervisor.

Final approval for the use of sick time for this purpose will remain with the immediate supervisor after consultation with the Director, Human Resources.

- 14.4.13 For legally required attendance due to subpoena, the employee may use up to two (2) days of sick leave. In order to qualify for this provision, the individual must provide the Employer with documentation of the subpoena. Additional days may be approved at the discretion of the Superintendent.

SECTION 5 - MILITARY SERVICE

- 14.5.1 An employee who is in the Armed Forces Reserve or the National Guard shall be paid the difference between his/her military pay and his/her contractual salary when he/she is on full-time active duty for a maximum of two weeks per year. Employees who must be absent from work for a period of time that exceeds ten (10) work days shall be placed on an unpaid military leave of absence for the period of time set forth in the military orders. The employee shall submit the standard Leave of Absence request via AESOP when notified of an impending call to service and provide the Human Resources Department the following documentation as soon as is practicable:

- 1) A copy of military orders with duration of requested leave; and
- 2) Proof of military compensation.

An employee leaving the system, who has been overpaid, shall be docked in pay to reimburse the Employer. If the employee owes more than the Employer can deduct from pay, the employee agrees to reimburse the Employer all overpaid funds. The reimbursement of the overpayment may be waived by the Superintendent if the service member has suffered documented physical or mental injury and is unable to return.

Section 6 - SHORT-TERM UNPAID LEAVE

- 14.6.1 An employee who has at least one year seniority shall be eligible for one unpaid leave of up to five (5) consecutive days each year.
- 14.6.2 A written request stating the exact dates for the leave will be submitted to the immediate supervisor not later than two (2) weeks prior to the commencement of the leave. The supervisor shall approve or disapprove the request in writing within one (1) week of receipt of request. Employee shall receive, upon request, a written statement as to the reasons for disapproval.

Upon approval of said leave, the compensation reduction due to the unpaid days will be applied while the employee is on the unpaid short-term leave. The employee may request to have their remaining salary, reduced by the compensation reduction, recalculated amongst the remaining pays of the school year. Approval shall be contingent on the number of pay periods (20 or 24) that the employee is on and the dates of occurrence of said leave in conjunction with work days remaining to be paid for in the school year. Remaining salary would need to be able to support required compensation reduction. In addition, if the employee should terminate employment for any reason before the end of the school year, the employee shall be required to reimburse the Employer for any overpaid funds.

14.6.3 In the event there is a conflict between the requests of two (2) employees, the supervisor shall resolve the conflict. In making the judgment, the dates the request were submitted and the employee who had been on leave most recently will be considered.

14.6.4 This section does not apply to summer employment practices in Article 13.7.

SECTION 7 - PERSONAL BUSINESS LEAVE

14.7.1 Each employee who has completed the probationary period shall be allowed up to two (2) days per school year for personal reasons provided that the immediate supervisor shall be notified in advance of requested leave time. Personal business leave shall not be granted on the day immediately before or after a holiday or vacation period. In the case of an emergency, the Director, Human Resources or his/her designee may approve a personal business day for the employee. Unused personal business days shall be added to sick leave at the end of the fiscal year.

SECTION 8 - GAINFUL EMPLOYMENT

14.8.1 Leaves of absence for the purpose of gainful employment elsewhere shall not be granted.

SECTION 9 - JURY DUTY

14.9.1 An employee granted time off to perform Jury Duty shall be paid the full amount he/she would have earned for each day in which the employee reports for or performs Jury Duty and on which he/she otherwise would have been scheduled to work, provided the employee turns over to the Employer the amount received for Jury Duty on the days when the employee would otherwise have been regularly assigned work in the district. The employee shall retain the amount paid for mileage. If Jury duty is not required for the full workday, the employee is expected to contact his or her immediate supervisor for further instruction (as to whether he or she should return to work for the day). The employee shall not be penalized in loss of sick days or other benefits provided he/she submits a Leave of Absence request via AESOP and provide the Human Resources Department the following:

- 1.) A copy of the Jury Duty Summons (in advance); and
- 2.) Documentation that supports the days of service (after service is complete).

14.9.2 The Board reserves the right to ask to have the employee excused from Jury Duty and the employee agrees to assist the Board in this effort if requested.

SECTION 10 - RETURN FROM LEAVE OF ABSENCE

14.10.1 Requests for reinstatement following a leave, for any reasons, shall be filed in the Human Resources office on or before April 1, for an employee returning for the ensuing school year. Nothing contained herein shall obligate the Board to reinstate any employee returning from leave if such a request for reinstatement is not filed on or before the above date. Contained within the approval for a leave will be notification of the April 1st deadline.

For shorter term leaves and leaves ending during school year, the Human Resource Department will determine the appropriate date by which the employee must provide their request for

reinstatement, but in no case shall the date be greater than sixty (60) calendar days prior to the projected return date.

- 14.10.2 An employee returning from a leave of absence, where seniority has been frozen, will not be guaranteed his/her former assignment, but will be placed in the first available position in Unit I for which he/she is qualified.
- 14.10.3 In Board approved leaves of absence for a period of less than ninety (90) work days, the employee shall have the right to return to the position which he/she left without loss of status.

SECTION 11 - EMPLOYMENT-RELATED ABSENCES

- 14.11.1 Absence due to injury suffered in the course of employment or occupational disease shall not be charged to the employee's sick leave. The Employer shall maintain complete coverage under terms of the Michigan Workers' Compensation Act to ensure that all medical costs in connection with work-related injuries shall be paid so that employees shall be entitled to appropriate compensation under the Michigan Workers' Compensation Act.

For absences less than 8 days: The employee shall receive full salary through payroll with no charge to the employee's sick leave.

For absences 8 to 13 days: The employee shall receive full salary for the first seven (7) days through payroll with no charge to the employee's sick leave. On the eighth (8th) day, the employee shall begin receiving Worker's Compensation benefit payments. The Employer shall pay the employee the difference between such employee's salary and the Workers' Compensation benefit received also with no charge to the employee's sick leave.

For absences 14 days or more: The employee shall receive Worker's Compensation benefit payments retroactive to the first date of injury. Once a return to work determination is received by the Employer stating that the absence due to the work-related injury will exceed 13 days, any salary already received by the employee from the Employer for any or all of the first seven (7) days will be applied to the remaining payments due for the difference between such employee's salary and the weekly benefit received. If an employee returns to work before all salary received for any or all of the first seven (7) days of absence has been applied, the employee's remaining salary for the year will be adjusted to recapture the overpayment. The Employer shall pay the employee the difference between such employee's salary and the Workers' Compensation benefit received with no charge to the employee's sick leave for a period of up to one year.

In all instances once a return to work recommendation is received by the Employer and is disputed by the employee, a full sick leave deduction shall be made to maintain full salary. Resolution of an appeal process in favor of the employee shall reinstate any sick leave deduction or the difference in compensation between the weekly benefits received under terms of the Michigan Workers' Compensation Act and the employee's salary. The Employer's responsibility under this section shall end upon cash settlement of a Workers' Compensation claim.

SECTION 12 - UNPAID EDUCATION LEAVES

- 14.12.1 An unpaid educational leave without fringe benefits may be granted at the discretion of the Employer to an employee who has successfully achieved practitioner level and has three (3) years of service with the district and who has had acceptable attendance as defined in Article 14.4.9. The employee must submit a written request for such leave to the school district's Human Resources office at least forty-five (45) days prior to the start of the leave. When such leave is approved for less than ninety (90) work days, the employee shall have the right to return to the position which he/she left without loss of status. In the event the unpaid educational leave is greater than ninety (90) work days, the employee will be entitled to be placed in the first available position in Unit I for which he/she is qualified.
- 14.12.2 Beginning July 1, 2015, employees with three (3) or more years of service to the District, who have an approved educational leave not to exceed four (4) months will, upon request, receive medical care coverage for the employee only provided the employee continues to make his/her required employee contributions, if any. This benefit is only available to one (1) employee per semester on a first come first serve basis. Should the employee not return to employment with the District at the end of said leave and work 1) through the end of the second semester of the school year if they were on a leave the first semester, or 2) through the end of the first semester of the next school year if they were on leave the second semester, he/she shall be required to reimburse the Employer for the amount the Employer contributed toward their health coverage during said leave. The reimbursement shall be waived at the discretion of the Superintendent. Request for reimbursement shall be submitted in writing to the Human Resources Department.
- Should the Patient Protection and Affordable Care Act (PPACA) require the employer to provide, at a minimum, coverage for the employee and his/her dependents (excluding spouse), then the employee will receive an amount to be used towards health insurance coverage similar to that of other employees of the employer that have coverage for themselves and their dependents (excluding spouse).

ARTICLE 15

SECTION 1 - REPORTING ABSENCES

- 15.1.1 Employees shall be individually responsible for entering their absence(s) into AESOP (or other computerized substitute management system) and notifying a designated person if requested when the employee will be absent from school, in order to give the employer time to call in substitutes. Such notification shall include the reason for absence. In emergency situations, where the employee could not possibly have anticipated the absence ahead of time, such notification will be made as soon as practicable prior to the start of the scheduled work day.

DRAFT

ARTICLE 16

SECTION 1 - SUBSTITUTES

- 16.1.1 A list of available substitutes shall be drawn up and made available to regular employees and, where possible, regular employees shall recommend their preferences from the list.
- 16.1.2 Management will develop a written procedure to be followed by teaching assistants in those emergency situations where a certified teacher substitute cannot be found to direct the daily activities of the classroom.
- 16.1.3 Unit I members who apply and qualify for Michigan substitute teacher certification and who serve in an emergency situation (as defined in 16.1.2) at the request of the supervisor shall be compensated at the Unit II BA Step 1 daily rate. A reasonable opportunity to participate will be made available for all staff who qualify. Invoking this provision does not affect the ability of a Unit I member in the program for qualifying under 16.1.6, provided that it is not an individual within the same classroom.
